

NPTEL offers certification courses

- June 21, 2015

National Programme on Technology Enhanced Learning (NPTEL) is offering online certification courses for free. According to a press release, courses are offered in computer science, aerospace, electrical, metallurgical engineering and management sciences. Classes will begin from July 1. The online lectures of NPTEL are also available for free copying in hard disks for institutions and organisations, added the press release.

NPTEL is a project of Ministry of Human Resource Development. The programme is supported by Indian Institutes of Technology (Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science, Bangalore. Examination for these courses is scheduled to be held in September and November 2015. For details, call 2257 5905 / 2257 5908.
