Steps to enroll to NPTEL Courses

Step 1 – Go to url – https://swayam.gov.in/
Step 2 – Click on Sign in / Register tab
Step 3 – Login using any of option mentioned here

Step 4 – If you have a Google enabled email id, you can login through Google option. If you wish to login through your company email id / non Google enabled email id then you have to create your own login. Click on ‘Sign up now’, create your own username password, and provide your email id there.

Henceforth, you will be able to login through this username and password.
You can also convert your non Google enabled email id to a Google enabled email id.

For creating a Google enabled email id, go to ‘Create your Google Account’ page. When you create a Google Account, they will ask for some personal info. Here you can find ‘Use my current email address instead’ tab. You can provide any email id, which you wish to convert to a google enabled email id. By following the mentioned steps, your existing email id will be changed to google enabled email id.
