Subjective questions

Q.1. What does is the subject matter of sociology of work?

Q.2. What is division of labor?

Q.3. Explain the difference between mechanical solidarity and organic solidarity. In what types of societies are they found?

Q.4. Discuss the concept of alienation. Who are more alienated in a capitalist society – workers or employers? Why? What aspects of alienation can end in a socialist state?

Q.5. Describe Maslow’s need hierarchy model?

Exercises

E.1. Spend a few days in a village and study the organization of work in agriculture.

E.2. Spend some days in a software company. Study the relationship between various classes of workers – particularly between top managers and newly recruited workers (engineers).

E.3. Compare attitude of small shop keepers and owners of Super Bazaars towards work and workers.

E.4. Watch the film Heroine. Study the difficulties that artists in film industry face. Are they alienated? From what?

E.5. What is work? Study the definitions of work employed by National Sample Survey Organization.
