Lecture 36
Indian Companies and International Bond Market

Short Questions

1. Better the bond rating, lesser is the coupon rate associated with the bond. How this aspect is taken care when companies issue floating rate bonds pegged to say Libor?

2. Explain why many Indian Companies have faced serious trouble over FCCB issuance.

3. Compare and Contrast the features of India Development Bond (IDB), Resurgent India Bond (RIB), and India Millennium Deposit (IMD) issued by State Bank of India.

4. As per your understanding what aspects should be considered for rating a company’s bond issuance? How it will differ from rating a national government or sovereign rating.
