Assignment (7)
The due date for submitting this assignment has passed. As per our records you have not submitted this assignment.

1. In-situ means:
   - On site
   - Off site
   - Near site
   - Under site
   
   **Due on 2019-09-18, 23:59 EST.**

2. Captive-breeding is an example of:
   - in-situ conservation
   - ex-situ conservation
   - ex-situ preservation
   - ex-situ propagation
   
   **Due on 2019-09-18, 23:59 EST.**

3. Tiger reserves are example of:
   - in-situ conservation
   - ex-situ conservation
   - ex-situ propagation
   - ex-situ preservation
   
   **Due on 2019-09-18, 23:59 EST.**

4. As per Wildlife Protection Act, 1972:
   - "Zoo" includes circus and rescue centres.
   - "Zoo" includes circus but not rescue centres.
   - "Zoo" includes rescue centres but not circus.
   - "Zoo" includes neither of them.
   
   **Due on 2019-09-18, 23:59 EST.**

5. In-situ conservation typically requires:
   - Less area than ex-situ conservation
   - Equal area at ex-situ conservation
   - More area that ex-situ conservation
   - None of these
   
   **Due on 2019-09-18, 23:59 EST.**

6. In-situ conservation typically permits:
   - Less intense intervention than ex-situ conservation
   - More intense intervention than ex-situ conservation
   - None of these
   
   **Due on 2019-09-18, 23:59 EST.**

7. Ex-situ costs is typically lower than in-situ cost for:
   - Small-bodied animal
   - Large-bodied animal
   - Both of these
   - None of these
   
   **Due on 2019-09-18, 23:59 EST.**

8. Stockbreeds used in contexts of:
   - animal feeding
   - animal breeding
   - animal husbandry
   - animal husbandry
   
   **Due on 2019-09-18, 23:59 EST.**

9. Stereotypes in captive animals can be prevented by:
   - Feed enrichment
   - Behaviour enrichment
   - vigorous enrichment
   - None of these
   
   **Due on 2019-09-18, 23:59 EST.**

10. For long-term viability, seeds should be stored under conditions of:
    - high temperature, high humidity
    - low temperature, high humidity
    - low temperature, low humidity
    - None of these
    
    **Due on 2019-09-18, 23:59 EST.**
