Assignment 12

The due date for submitting this assignment has passed.

Exercises:

1. Predict the products from the following reaction:

   ![Chemical Structure](image1)

   - Predict the product:
     - A: $\text{Product A}$
     - B: $\text{Product B}$

2. Predict the product of the following reaction:

   ![Chemical Structure](image2)

   - Predict the product:
     - A: $\text{Product A}$
     - B: $\text{Product B}$

3. Predict the product of the following reaction:

   ![Chemical Structure](image3)

   - Predict the product:
     - A: $\text{Product A}$
     - B: $\text{Product B}$

4. Predict the product of the following reaction:

   ![Chemical Structure](image4)

   - Predict the product:
     - A: $\text{Product A}$
     - B: $\text{Product B}$
