Assignment 1

The due date for submitting this assignment has passed.

As per our records you have not submitted this assignment.

1. \[ \text{Con} \text{ is symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: True
   0.125 points

2. \[ \text{if } f(x) = f(x) \text{ is symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: True
   0.125 points

3. \[ \text{if } f(x) = f(x) \text{ is symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: False
   0.125 points

4. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: True
   0.125 points

5. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: True
   0.125 points

6. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: False
   0.125 points

7. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: False
   0.125 points

8. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: False
   0.125 points

9. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
   - True
   - False
   Accepted Answers: True
   0.125 points

10. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

11. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

12. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points

13. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

14. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points

15. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points

16. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

17. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

18. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points

19. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points

20. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

21. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

22. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points

23. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points

24. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: False
    0.125 points

25. \[ \text{if } f(x) = f(x) \text{ is not symmetric with respect to } \text{patry.} \]
    - True
    - False
    Accepted Answers: True
    0.125 points
