Week 7: Assignment 7

Submission deadline: 23rd March 2014

Assignment Details

1. "Consider the request for a short-term loan by Mrs. Smith. You have been asked to prepare a report on the adequacy of the financial statements for the current year."
2. "The company is planning to expand into a new market. You have been asked to analyze the feasibility of the project and prepare a report on the potential risks and benefits."

Note: You may use any appropriate source of data and information to support your analysis. Your report should be well-structured and clearly present your findings and conclusions.
