   Answers:
   - Yes
   - Yes
   - No

5. Consider the register assignment for the following.

6. Consider the following below.

7. Which of the following statements are correct for the following diagram?

8. Which of the following are True?

9. Which of the following statements are correct for the following diagram?

10. Which of the following statements are correct for the following diagram?

11. Which of the following statements are correct for the following diagram?

12. Which of the following statements are correct for the following diagram?

13. Which of the following statements are correct for the following diagram?

14. Which of the following statements are correct for the following diagram?

15. Which of the following statements are correct for the following diagram?

16. Which of the following statements are correct for the following diagram?

17. Which of the following statements are correct for the following diagram?

18. Which of the following statements are correct for the following diagram?

19. Which of the following statements are correct for the following diagram?

20. Which of the following statements are correct for the following diagram?

21. Which of the following statements are correct for the following diagram?

22. Which of the following statements are correct for the following diagram?

23. Which of the following statements are correct for the following diagram?

24. Which of the following statements are correct for the following diagram?

25. Which of the following statements are correct for the following diagram?

26. Which of the following statements are correct for the following diagram?

27. Which of the following statements are correct for the following diagram?

28. Which of the following statements are correct for the following diagram?

29. Which of the following statements are correct for the following diagram?

30. Which of the following statements are correct for the following diagram?

31. Which of the following statements are correct for the following diagram?

32. Which of the following statements are correct for the following diagram?

33. Which of the following statements are correct for the following diagram?

34. Which of the following statements are correct for the following diagram?

35. Which of the following statements are correct for the following diagram?

36. Which of the following statements are correct for the following diagram?

37. Which of the following statements are correct for the following diagram?

38. Which of the following statements are correct for the following diagram?

39. Which of the following statements are correct for the following diagram?

40. Which of the following statements are correct for the following diagram?

41. Which of the following statements are correct for the following diagram?

42. Which of the following statements are correct for the following diagram?

43. Which of the following statements are correct for the following diagram?

44. Which of the following statements are correct for the following diagram?

45. Which of the following statements are correct for the following diagram?

46. Which of the following statements are correct for the following diagram?

47. Which of the following statements are correct for the following diagram?

48. Which of the following statements are correct for the following diagram?

49. Which of the following statements are correct for the following diagram?

50. Which of the following statements are correct for the following diagram?
