Assignment 2

1. Identify the type of algorithm illustrated in the diagram below:

2. Write a short description of the algorithm:

3. Identify the type of algorithm illustrated in the diagram below:

4. Write a short description of the algorithm:

5. Identify the type of algorithm illustrated in the diagram below:

6. Write a short description of the algorithm:

7. Identify the type of algorithm illustrated in the diagram below:

8. Write a short description of the algorithm:

9. Identify the type of algorithm illustrated in the diagram below:

10. Write a short description of the algorithm:

11. Identify the type of algorithm illustrated in the diagram below:

12. Write a short description of the algorithm:

13. Identify the type of algorithm illustrated in the diagram below:

14. Write a short description of the algorithm:

15. Identify the type of algorithm illustrated in the diagram below:

16. Write a short description of the algorithm:

17. Identify the type of algorithm illustrated in the diagram below:

18. Write a short description of the algorithm:

19. Identify the type of algorithm illustrated in the diagram below:

20. Write a short description of the algorithm:

21. Identify the type of algorithm illustrated in the diagram below:

22. Write a short description of the algorithm:

23. Identify the type of algorithm illustrated in the diagram below:

24. Write a short description of the algorithm:

25. Identify the type of algorithm illustrated in the diagram below:

26. Write a short description of the algorithm:

27. Identify the type of algorithm illustrated in the diagram below:

28. Write a short description of the algorithm:

29. Identify the type of algorithm illustrated in the diagram below:

30. Write a short description of the algorithm:

31. Identify the type of algorithm illustrated in the diagram below:

32. Write a short description of the algorithm:

33. Identify the type of algorithm illustrated in the diagram below:

34. Write a short description of the algorithm:

35. Identify the type of algorithm illustrated in the diagram below:

36. Write a short description of the algorithm:

37. Identify the type of algorithm illustrated in the diagram below:

38. Write a short description of the algorithm:

39. Identify the type of algorithm illustrated in the diagram below:

40. Write a short description of the algorithm:

41. Identify the type of algorithm illustrated in the diagram below:

42. Write a short description of the algorithm:

43. Identify the type of algorithm illustrated in the diagram below:

44. Write a short description of the algorithm:

45. Identify the type of algorithm illustrated in the diagram below:

46. Write a short description of the algorithm:

47. Identify the type of algorithm illustrated in the diagram below:

48. Write a short description of the algorithm:

49. Identify the type of algorithm illustrated in the diagram below:

50. Write a short description of the algorithm:
