Assignment 11

Which of the following describe the bridge pattern correctly?

1. The bridge pattern is used to create a hierarchy of classes that are related by a common interface.
2. It is used to create a hierarchy of classes that are related by a common interface.
3. It allows for polymorphism by allowing objects to perform different actions.
4. It is used to create a hierarchy of classes that are related by a common interface.

Which of the following is an example of the bridge pattern?

1. The adapter pattern
2. The strategy pattern
3. The decorator pattern
4. The bridge pattern

Which of the following is an example of the observer pattern?

1. The observer pattern
2. The mediator pattern
3. The strategy pattern
4. The decorator pattern

Which of the following is an example of the chain of responsibility pattern?

1. The chain of responsibility pattern
2. The decorator pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the factory method pattern?

1. The factory method pattern
2. The strategy pattern
3. The observer pattern
4. The decorator pattern

Which of the following is an example of the singleton pattern?

1. The singleton pattern
2. The decorator pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the builder pattern?

1. The builder pattern
2. The decorator pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the decorator pattern?

1. The decorator pattern
2. The strategy pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the aggregate pattern?

1. The aggregate pattern
2. The decorator pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the composite pattern?

1. The composite pattern
2. The decorator pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the adapter pattern?

1. The adapter pattern
2. The decorator pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the strategy pattern?

1. The strategy pattern
2. The decorator pattern
3. The observer pattern
4. The mediator pattern

Which of the following is an example of the observer pattern?

1. The observer pattern
2. The decorator pattern
3. The strategy pattern
4. The mediator pattern

Which of the following is an example of the mediator pattern?

1. The mediator pattern
2. The decorator pattern
3. The observer pattern
4. The strategy pattern
