Assignment 3

The due date for submitting this assignment has passed.
As per our records you have not submitted this assignment.

Due on 2019-09-18, 23:59 IST.

1) Choose the option(s) that participants need to give access while testing the app in real-time in lookback.io?

1 point

- Enable Camera
- Enable Mic
- Enable Screen
- Enable contacts

No, the answer is incorrect.
Score: 0

Accepted Answers:
Enable Camera
Enable Mic
Enable Screen

2) If you need to perform an interactive Task Analysis of your app and you need to use lookback.io for user testing, you will use:

1 point

- Live Moderated Testing
- Unmoderated Self-Testing
- In-Person Testing
- All of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
Live Moderated Testing

3) _____ is completed by test participants in their own environment without a facilitator present.

1 point

- Live Moderated Testing
- Unmoderated Testing
- In-Person Testing
- None of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
Unmoderated Testing

4) Lookback.io can be used :

1 point

- To perform user research in real-time
- Invite collaborators and participants
- Both a and b
- None of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
Both a and b

5) An IRB proposal allows the committee to check which of the following:-

1 point

- Will the study lead to a feasible result
- What kind of data is being collected
- Are the researchers qualified to conduct the study
- Who are the participants in the study

No, the answer is incorrect.
Score: 0

Accepted Answers:
What kind of data is being collected
Who are the participants in the study

6) Which of the following criteria does IRB use during the review of research?

1 point

- Informed consent is properly documented.
- Presence of conflict of interest
- Risks to subjects are minimized.
- All of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
All of the above

7) Which of the following requires an explicit signature of the IRB?

1 point

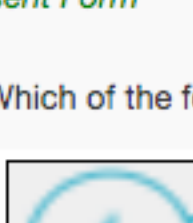

- Flier
- Consent Form
- Both a & b
- Neither a nor b

No, the answer is incorrect.
Score: 0

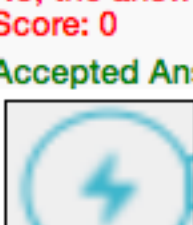

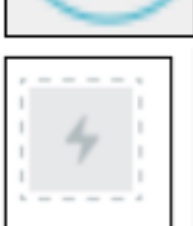

Accepted Answers:
Consent Form

8) Which of the following can be used to add interactions in Proto.io?

1 point

- 
- 
- 
- 

No, the answer is incorrect.
Score: 0

Accepted Answers:

9) Which of the following is/are an important part of the IRB proposal?

1 point

- Goals of the research
- Confidentiality of the data
- Ethics in research
- Results of the pre-experimental questions

No, the answer is incorrect.
Score: 0

Accepted Answers:
Goals of the research
Confidentiality of the data
Ethics in research

10) Which term(s) is not analogous to the consent form?

1 point

- IRB proposal
- IRB application
- Pre and Post experimental questions
- None of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
IRB proposal
IRB application
Pre and Post experimental questions

11) Why are post-experiment questions important in a study?

1 point

- They help ascertain if the subject has done the study for the money
- They help decide if your participant is feasible for the study
- They help to evaluate the difficulty level of the task performed
- None of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
They help to evaluate the difficulty level of the task performed

12) Which of the following buttons can be found in the Material Design Library of proto.io:

1 point

- Action Button
- Raised Button
- Round Button
- Icon Button

No, the answer is incorrect.
Score: 0

Accepted Answers:
Action Button
Raised Button
Icon Button

13) To add resources like images to proto.io project, it must be dragged and dropped into the _____ window

1 point

- Project Asset
- Layers
- Images
- Inspector

No, the answer is incorrect.
Score: 0

Accepted Answers:
Project Asset

14) Proto.io can create a prototype for?

1 point

- iPhoneX
- Smart Dustbin
- Web Desktop
- All of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
iPhoneX
Web Desktop

15) Which of the following tools/services are compatible with proto.io?

1 point

- Photoshop
- Dropbox
- Illustrator
- All of the above

No, the answer is incorrect.
Score: 0

Accepted Answers:
Photoshop
Dropbox
