Assignment 8

Proper noun conversion

This assignment involves converting proper nouns into different cases. You are given a proper noun and required to convert it into another case as specified.

Example:

Input: The quick brown fox
Output: a) The quick brown fox
        b) the quick brown fox
        c) THE QUICK BROWN FOX

Note:
- Each entry should be completed in a single sentence.
- Proper case conversion rules apply.
- Each entry must be a proper noun.

Instructions:
- Convert the following proper nouns into the required cases:
  1. The quick brown fox
  2. The quick brown fox
  3. THE QUICK BROWN FOX

Note: For this assignment, the proper nouns must be in lowercase, proper case, or uppercase.

The alignment sentence for the source program using the following flowchart diagram:

```
(1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5)
```

Target

Es for long the fox’s ears' long tail

```
(1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5) (1,3,5,3,5,3,5)
```

Instructions:
- Convert the following sentence into the target language using the alignment sentence:
  1. The quick brown fox

Note: For this assignment, the translation must be in the target language (es) and must be in proper case.

- The alignment sentence must follow the structure of the source sentence.
