Problem 1

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 2

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 3

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 4

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 5

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 6

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 7

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 8

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 9

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 10

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 11

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Problem 12

A total of 30 minutes is allowed for this assignment.

b. A total of 30 minutes is allowed for this assignment.

Instructions

All problems are worth 10 points each. You are required to show all your work for full credit. Points will be deducted for missing or incorrect work.
