Week 32 Assignment!

Due date: June 28, 2018

Description:

This assignment is designed to test your understanding of the concepts covered in the previous five weeks. You will be given a series of problems that require you to apply your knowledge to real-world scenarios.

Instructions:

1. Read the detailed descriptions of each problem carefully.
2. Write your solutions in neat and clear handwriting.
3. Submit your assignment by the due date.

Grading rubric:

- 10 points for each correct answer.
- 5 points for each partially correct answer.
- 0 points for incorrect answers.

Good luck!
