2) The answer to the question was:
   a) True
   b) False

3) The answer to the question was:
   a) True
   b) False

4) The answer to the question was:
   a) True
   b) False

5) The answer to the question was:
   a) True
   b) False

6) The answer to the question was:
   a) True
   b) False

7) The answer to the question was:
   a) True
   b) False

8) The answer to the question was:
   a) True
   b) False

9) The answer to the question was:
   a) True
   b) False

10) The answer to the question was:
    a) True
    b) False

11) The answer to the question was:
    a) True
    b) False

12) The answer to the question was:
    a) True
    b) False

13) The answer to the question was:
    a) True
    b) False

14) The answer to the question was:
    a) True
    b) False

15) The answer to the question was:
    a) True
    b) False

16) The answer to the question was:
    a) True
    b) False

17) The answer to the question was:
    a) True
    b) False

18) The answer to the question was:
    a) True
    b) False

19) The answer to the question was:
    a) True
    b) False

20) The answer to the question was:
    a) True
    b) False
