a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

8) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

9) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

10) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

11) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

12) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

13) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

14) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

15) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

16) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

17) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

18) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

19) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

20) Which of the following is not a factor that affects language development?

a) Genetic factors

b) Environmental factors

c) Both genetic and environmental factors

Score: 10/20
