Assignment 4

The due date for submitting this assignment has passed.
As per our records you have not submitted this assignment.

Due on 2020-03-25, 23:59 IST.

1) Out of the option (s) given below, identify the statement which is correct. After your assessment regarding the statements, select the correct choice from the options given further.

1 point

Statement 1: Paris Convention, 1967 was signed in Paris, France with the main objective of establishing a union for protecting industrial rights, and provisions of the same were broadly divided into two categories.

Statement 2: Amendments in the Paris convention, 1967 can be associated with these three cities, Hague, London and Stockholm.

Statement 3: Utility models were devoid of protection under the Paris convention, 1967.

Statement 4: The ideology of Common rules as a provision of the Paris Convention, 1967 was rejected in 1979.

- a) Only statement 4 is correct
- b) Statement 2 and 3 are correct
- c) Only statement 2 is correct
- d) None of the above, all statements are false

- a
- b
- c
- d

No, the answer is incorrect.

Score: 0

Accepted Answers:

c

2) Suppose there are two countries Y and Z. Y and Z (being the potential adversaries) have entered into treaties imposing limitations on military capability. This depicts a case of:

1 point

- a) Arms control
- b) Nuclear Armament
- c) Arms disband
- d) None of the above

- a
- b
- c
- d

No, the answer is incorrect.

Score: 0

Accepted Answers:

a

3) Concerning the options given below, which of these is not one of the provisions of Paris Convention, 1967?

1 point

- a) Priority Rights
- b) Common Clause
- c) Provision of National Treatment
- d) None of the above

- a
- b
- c
- d

No, the answer is incorrect.

Score: 0

Accepted Answers:

b

4) Srijit Malik, a faculty in International trade at Institute of Foreign Business was giving a lecture on Berne Contract, 1971. He told his students that as per one of the Principles of Berne contract, 1971, protection is not conditional upon compliance with any formalities. Score: 0

Accepted Answers:

b

10) From the statements given below (1 to 5) which establish the importance of nuclear ethics as a branch of study or highlight issues regarding the same, identify the erroneous statement(s):

1 point

1. Emissions from nuclear reactors can cause huge harm to human life, hence it is an important field of study.
2. Tragic incidents can occur if unethical choices are made by engineers like selecting a wrong site for testing of the nuclear weapons, hence, nuclear ethics must be studied by engineers who are involved in the selection of sites for testing or involved otherwise.
3. Reactor meltdowns though they have not been identified as serious nuclear accidents may or may not be given much attention by engineers while studying nuclear ethics.
4. Disposition of nuclear waste is another major issue. Nuclear waste can again be deadly to both human and animal life as well the environment, hence, this branch of ethics should not be undermined.

- a) Statement 2 is erroneous
- b) Statement 3 is erroneous
- c) Statement 4 is erroneous
- d) Statement 1 is erroneous

- a
- b
- c
- d

No, the answer is incorrect.

Score: 0

Accepted Answers:

b
