## Assignment 3

The due date for submitting this assignment has passed. As per our records you have not submitted this assignment.

**Due on 2019-08-21, 23:59 IST.**

### Instructions

- This Assignment is of 10 points. Each question is of 1 point.
- All the questions are compulsory.
- Questions 1-7 are Multiple Choice Questions with only one option correct
- Questions 8-10 are Multiple Select Questions with more than one option correct (at least two options are correct). Marks will only be awarded if all the options are correct.
- Students should read the questions very carefully before answering.
- There is no negative marking.

1) If there are more than one invention filed as provisional applications, and the applications are cognate or modifications of another, then the applicant has to get the permission from \_\_\_\_\_, who can allow one complete specification to be filed in respect of all such provisional applications? **1 point**

- The Examiner  
 The Applicant  
 The legal Assignee  
 The Controller

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
The Controller

2) **Statement 1: A complete specification is filed later than 15 months from the date of filing of provisional application** **1 point**

**Statement 2: An inventor who fails to file a complete specification within a stipulated time, the application shall be deemed to be withdrawn**

- Statement 1 is true, 2 is false  
 Statement 1 is false, 2 is true  
 Statements 1 and 2 both are false  
 Statements 1 and 2 both are true

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
Statements 1 and 2 both are false

3) **Statement 1: Every specification, whether provisional or complete, shall describe the invention and shall begin with a title to which the invention relates** **1 point**

**Statement 2: The claim or claims of a complete specification shall relate to a single invention, or to a group of inventions**

- Statement 1 is true, 2 is false  
 Statement 1 is false, 2 is true  
 Statements 1 and 2 are false  
 Statements 1 and 2 are true

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
Statements 1 and 2 are true

4) The deposit of the biological material shall be made not later than the date of filing of the application in India and a reference thereof shall be made as per Rule 13 in \_\_\_\_\_ from the date of filing of the application. **1 point**

- One month  
 Two months  
 Three months  
 Six months

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
Three months

5) The Abstract shall NOT carry the following details **1 point**

- The technical field to which the invention belongs  
 The principal use of the invention  
 The Chemical formula, which characterizes the invention  
 The background of the invention

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
The background of the invention

6) A declaration of inventorship shall be filed using Form 5 with the complete specification or at any time before the expiration of \_\_\_\_\_ from the date of filing of the complete specification **1 point**

- 15 days  
 One month  
 Two months  
 Three months

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
One month

7) Which among the following application shall carry a definite statement that the invention comprises an improvement in, or a modification of, the invention claimed in the specification of the main patent granted or applied for **1 point**

- A Conventional Application  
 A divisional Application  
 Patent of Addition  
 A PCT Application

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
Patent of Addition

8) Which among the following statements are true with regard to complete specification **1 point**

- It shall fully and particularly describe the invention  
 It shall disclose the best method of performing the invention  
 It shall end with a claim or claims defining the scope of the invention for which protection is claimed  
 It should be filed later than 12 months from the date of filing of provisional specification

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
It shall fully and particularly describe the invention  
It shall disclose the best method of performing the invention  
It shall end with a claim or claims defining the scope of the invention for which protection is claimed

9) The Form 2 shall be used to file the following **1 point**

- Patents of Addition  
 A divisional Application  
 A Provisional Application  
 A complete specification

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
A Provisional Application  
A complete specification

10) If the biological material in the specification is not described in the way according to Section 10(4)(a) or Section 10(4)(b) and if the material is not available to the public, then the applicant shall **1 point**

- Deposit the material to an International depository authority under the Budapest Treaty  
 Deposit of the material not later than the date of filing the patent application in India  
 Provide access to the material only after the date of application for patent in India  
 Not disclose the source and geographical origin of the biological material in the specification

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
Deposit the material to an International depository authority under the Budapest Treaty  
Deposit of the material not later than the date of filing the patent application in India  
Provide access to the material only after the date of application for patent in India
