Unit 3 - Week 1: Introduction and Classification of Welding

Assessment 01

You can start responding to this assessment now. You can modify your responses before the deadline.

1. Which of the following (p.11) is a arc welding? 2 points
   - Butt joint
   - Edge joint
   - Groove joint
   - T-joint
   - No, the answer is incorrect.

2. Which of the following is an example of a fusion welding process? 2 points
   - Laser welding
   - Electron beam welding
   - Resistance welding
   - Riveting
   - No, the answer is incorrect.

3. Which of the following is an example of a friction welding process? 2 points
   - Forging
   - Resistance welding
   - Friction welding
   - TIG welding
   - No, the answer is incorrect.

4. Which of the following is an example of an induction hardening process? 2 points
   - Electron beam welding
   - Laser welding
   - Resistance welding
   - Friction welding
   - No, the answer is incorrect.
