Assignment 2

Assignment 2 is due on 2020-02-12, 23:59:57.

Due to a recent update in the data collection process, it's no longer possible to manually decrypt the data. The data has been encrypted and can only be accessed through a secure online portal.

1. Access the online portal and log in using your credentials.
2. Once logged in, you will see the encrypted data. To decrypt it, you will need to use a specific algorithm that is not provided in the assignment.
3. After decrypting the data, you will be able to access the required information.
