## Assignment 7

The due date for submitting this assignment has passed. **Due on 2019-09-18, 23:59 IST.**  
As per our records you have not submitted this assignment.

1) In FAST system, which of the following provides information on hairiness or surface bulk of the **1 point** fabric

- FAST 1
- FAST 2
- FAST 3
- FAST 4

No, the answer is incorrect.

Score: 0

Accepted Answers:

*FAST 1*

2) Fabric shear characteristics can be measured by **1 point**

- KESF 2
- FAST 2
- KESF 3
- FAST 3

No, the answer is incorrect.

Score: 0

Accepted Answers:

*FAST 3*

3) The test method in which compression, bending, biaxial extension and friction are simultaneously evaluated is **1 point**

- FAST 1
- KESF 3

Quiz : Assignment 7 (assessment? name=68)

Feedback Form (unit? unit=31&lesson=79)

**Week 8**

**Week 9**

**Week 10**

**Week 11**

**Week 12**

**Text Transcripts**

- Fabric extraction principle
- None of the above

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
*Fabric extraction principle*

4) Crepe de chine fabric consists of **1 point**

- False textured yarn in both warp and weft direction
- Highly twisted yarn in both warp and weft direction
- Weft yarn with high twist and low twist yarn in warp direction
- Airjet textured yarn in both warp and weft direction

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
*Weft yarn with high twist and low twist yarn in warp direction*

5) Georgette fabric consists of **1 point**

- Low twisted yarn in both warp and weft direction
- High bulk yarn in both warp and weft direction
- Twisted yarn in warp direction and twistless in weft direction
- High twist continuous filament yarn in both warp and weft direction

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
*High twist continuous filament yarn in both warp and weft direction*

6) Chiffon consists of **1 point**

- High twisted continuous filament yarn in both warp and weft direction with same direction of twist
- Warp continuous filament yarns with high twist (Z) and weft continuous filament yarn with high twist of left handed twist (S)
- High bulk continuous filament yarn in both warp and weft direction
- All of the above

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
*Warp continuous filament yarns with high twist (Z) and weft continuous filament yarn with high twist of left handed twist (S)*

7) Pongee fabric consists of **1 point**

- False twist textured yarn in both warp and weft direction
- Low twisted yarn in both warp and weft direction
- Twisted yarn in warp direction and twistless in weft direction
- High twist continuous filament yarn in both warp and weft direction

No, the answer is incorrect.  
Score: 0

Accepted Answers:  
*False twist textured yarn in both warp and weft direction*

8) With respect to fiber bending rigidity the subjective scratchiness of fabric **1 point**

- Decreases slowly

- Decreases rapidly
- Decreases steadily throughout
- Increases steadily throughout

No, the answer is incorrect.

Score: 0

Accepted Answers:

*Increases steadily throughout*
