   D. A statistical analysis

3. Which of the following skills is least likely to be developed in a hermeneutic approach?
   A. Critical thinking
   B. Interpretation
   C. Empathy
   D. Data analysis

4. Which of the following skills is least likely to be developed in a hermeneutic approach?
   A. Critical thinking
   B. Interpretation
   C. Empathy
   D. Data analysis

5. Which of the following documents is NOT an example of a "non-thesis" approach to the research question?
   A. Fast Food Nation
   B. Food Sobriety
   C. Healthy Eating
   D. Sustainable Practices

6. Which of the following sources is least likely to be cited in the field of hermeneutics?
   A. A research article
   B. A theoretical framework
   C. A historical document
   D. A statistical analysis

7. Which of the following factors is least likely to be developed in a hermeneutic approach?
   A. Critical thinking
   B. Interpretation
   C. Empathy
   D. Data analysis

8. Which of the following factors is least likely to be developed in a hermeneutic approach?
   A. Critical thinking
   B. Interpretation
   C. Empathy
   D. Data analysis

9. Which of the following factors is least likely to be developed in a hermeneutic approach?
   A. Critical thinking
   B. Interpretation
   C. Empathy
   D. Data analysis

10. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

11. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

12. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

13. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

14. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

15. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

16. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

17. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

18. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

19. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis

20. Which of the following factors is least likely to be developed in a hermeneutic approach?
    A. Critical thinking
    B. Interpretation
    C. Empathy
    D. Data analysis
