Practice Questions (LbD) on LeD 4.3

The due date for submitting this assignment has passed.
As per our records you have not submitted this assignment.

Instructions:
The learning by doing (LbD) activities are aimed at providing practice questions, and will not be considered in final grading. This LbD activity consist of 2 practice questions, which are based on LeD 4.3 (https://onlinecourses.nptel.ac.in/noc20_ge12/unit?unit=70&lesson=73) of Week 4.

1) It is recommended that a MOOC instructor pays attention to effective orchestration in order to:

- Improve learners' assessment score
- Increase the time that learners spend on the course
- Establish learner connect

No, the answer is incorrect.
Score: 0
Feedback:
- Effective orchestration of MOOCs is not recommended to improve the assessment scores of learners. Though effective orchestration may lead to improved learner performance due to higher learner connect.
- Effective orchestration is not recommended in MOOCs to make learners spend more time on the course. You may go through LeD 4.3.1 to learn more on orchestration.
- Yes, effective orchestration is recommended in order to establish a strong learner connect, resulting in improved learning.

Accepted Answers:
- Establish learner connect

2) What are some of the critical factors involved in effective orchestration of a MOOC? [Tick all that apply]

- Understanding your learners, and their learning needs
- Analysing learners' performance at regular intervals, and creating remedial measures, if required
- Conducting live interactions with learners
- Ensuring that the MOOC content is updated in the field

No, the answer is incorrect.
Score: 0
Feedback:
- Yes, for an effective orchestration, it is essential to understand your learners, and their learning needs in order to perform required actions, and provide required resources catering to the diversity.
- Yes, for an effective orchestration, it is important to keep a track of learners' understanding of concepts, and provide remedial measures if required.
- Yes, conducting live interactions is required to maintain learner connect, which is in turn is important for effective orchestration of a course.
- While it is important to assure that the MOOC content is updated in the field to provide quality learning, it is not related to orchestration of MOOCs.

Accepted Answers:
- Understanding your learners, and their learning needs
- Analysing learners' performance at regular intervals, and creating remedial measures, if required
- Conducting live interactions with learners
