Week 1: Learner-centric Environment and ID Models

AQ based on LxT 1.3

The due date for submitting this assignment has passed. As per our records you have not submitted this assignment.

Due on 2019-08-14, 23:59 IST.

Instructions:

In Week 1, you are provided with 3 LxT resources (LxT 1.1, 1.2 and 1.3) and three AQs corresponding to each of these resources. You are most welcome to go through all these resources; however, you need to do ONLY ONE OUT OF THE THREE QUIZZES (AQs) for grading purposes.

This AQ is based on LxT 1.3. Hence, please take this AQ in case you have accessed LxT 1.3. You will need to answer all questions to be able to submit the quiz.

You may attempt this quiz multiple times; however, the last quiz score, attempted before the deadline, will be considered for final grading.

1) Which of these is not an instructional model?
   - A. Gagne’s nine events of instruction
   - B. Merrill’s principles of instruction
   - C. Church’s 5 star model
   - D. ADDIE model

   **No, the answer is incorrect.**
   **Score: 0**

   **Feedback:**
   Merrill’s principles of instruction framework is also referred to as Merrill’s 5 star model; however, there is no Church’s 5 star instructional model.

   **Accepted Answers:**
   C. Church’s 5 star model

2) Merrill’s model constitute _________ instructional design principles

   - A. 3
   - B. 5
   - C. 6
   - D. 7

   **No, the answer is incorrect.**
   **Score: 0**

   **Feedback:**
   David Merrill’s principles of instruction framework constitute 5 instructional design principles, which promote learning while designing and developing training programs.

   **Accepted Answers:**
   B. 5

3) From Gagne’s nine events of instruction, three are missing from the below listed sequence of events.

   Gain the student’s attention, inform students of objectives, stimulate recall of prior knowledge, ____________ ____________ ____________, provide learner guidance, elicited performance, ____________ ____________, enhance retention and transfer to the job.

   Choose the correct three events, which are missing from the above sequence.

   - A. Apply knowledge, evaluate learners, provide feedback
   - B. Activate knowledge, demonstrate principles, provide feedback
   - C. Analyse, assess feedback, create content
   - D. Present the content, provide feedback, assess performance

   **No, the answer is incorrect.**
   **Score: 0**

   **Feedback:**
   Robert Gagné identified the mental conditions needed for learning in adults. He then created a nine-step process called the events of instruction, which correlate to and address the conditions of learning.

   **Accepted Answers:**
   D. Present the content, provide feedback, assess performance
