Assignment 1

In this assignment, you will be tasked with preparing a written report on the environmental policies of a local government. Your goal is to analyze the policies and provide recommendations for improvement. You will need to research the policies, gather data, and present your findings in a clear and concise manner. Your report should be no more than 10 pages and should adhere to the format guidelines provided by the course.

1. Title page
2. Table of contents
3. Introduction
   - Background information
