Assignment 1

Do you think adopting the management system proposed by the Plan for Sustainable Development will be successful?

Instructions:

1. Discuss with your group the potential benefits and drawbacks of adopting the management system proposed by the Plan for Sustainable Development.

2. Prepare a presentation outlining your group's analysis and recommendations.

3. Submit the presentation to your instructor by the due date.

Evaluation Criteria:

- Clarity of presentation
- Relevance of analysis
- Creativity of recommendations

Remember to cite all sources used in your research.

Due Date: 30.09.21, 23:59 IST
