Unit 9 - Week 7
Assignment 7

The due date for submitting this assignment is Thursday, 29th March 2018.

Part A: Selection of Economic Indicators

1. Choose three economic indicators to measure the progress of sustainable development.

Part B: Data Collection and Analysis

2. Collect data for the three indicators selected in Part A.

3. Analyze the data collected and present your findings in a report.

4. Present your findings to the class and discuss the implications of your results.

---

Additional Notes:

- You may use statistical software or spreadsheets for data analysis.
- Ensure that your report is well-structured and clearly presented.
- Include any graphs or charts to support your findings.

---

Reference:

---

Note:

- Late submissions will not be accepted.
- All work must be original and cited appropriately.
- Collaboration with peers is encouraged, but each student must submit their own work.
