Pointers:

- Manual of Microprocessor
- Microprocessors and Interfacing... Douglas V. Hall
- Microprocessors Architecture, Programming and Applications... Ramesh S. Gaonkar
- Microcomputer Systems Architecture, Programming and Design... Yu – Cheng Liu
- 8086 Microprocessor... Walter Triebel
- Intel Microprocessors... Barry B. Brey
- Microsystem Components Handbook Microprocessors...
- PC Magazine Programmer’s Technical Reference: The Processor and Coprocessor... Robert L. Hummel
- Programmer’s Reference Manual for IBM Personal Computers... Steven Armbrust & Ted Forgeron
- Manual of Microcontrollers
- Design with Microcontrollers... John. B. Peatman
- Microcontrollers... Ajay V Deshmukh.
- Using the MCS-51 Microcontroller... Han-Way Huang
- The 8051 Microcontroller... Muhammad Ali Mazidi
