MODULE 1

REFERENCE BOOKS

1. Most of the material in this chapter has been taken from the book “Analysis and Design of Information Systems” and the accompanying Self-Study guide written by V.Rajaraman and published by Prentice Hall of India, new Delhi (2002) (Permission of publisher taken).

2. The following books have a good treatment of Information Systems:

       Chapter 1 pp.1 to 4 and Chapter 2 pp. 29 to 45 deal with the topic of understanding organizations. The examples are more relevant to U.S.A. rather than our country.

       pp.15-17 have a very short treatment of what we give in Module1

       Chapter 6, pp.168 to 198 deal with organizational structure.

       Part III pp.356 to 457 have a very detailed discussion of operational, tactical and strategic management and appropriate information systems.

       Chapter 2, pp. 36 to 71 cover the topics discussed in Module in great detail.
